

Truespeed Communications Limited - Chew Magna - Roadworks

- **Roadworks.org** - Simple free website with public information regarding roadworks, Traffic Management, road closures - operate via a postcode search function.
- **B&NES Highways** - Enquire to B&NES Highways who will supply the parish council with dates of road closures & works on adopted highways.
- **Noticing Local Residents** - All properties in the vicinity of roads affected by streetworks are formally noticed by letter 3-7 days prior to the commencement of streetworks on B&NES adopted highways.
- **Reinstatement of Roads** - All roads affected by Truespeeds works will be reinstated to the same state of repair as of prior to the commencement of the works . Scarring will of course be visible, as with any remedial works following roadworks - these will however fade with time and weathering. All of our reinstatement works are signed off by B&NES official highways inspector, all reinstatements being completed to the same high standard that B&NES endorse.
